DINING & LEISURE

RESTAURANT, TEA GARDEN & BAR

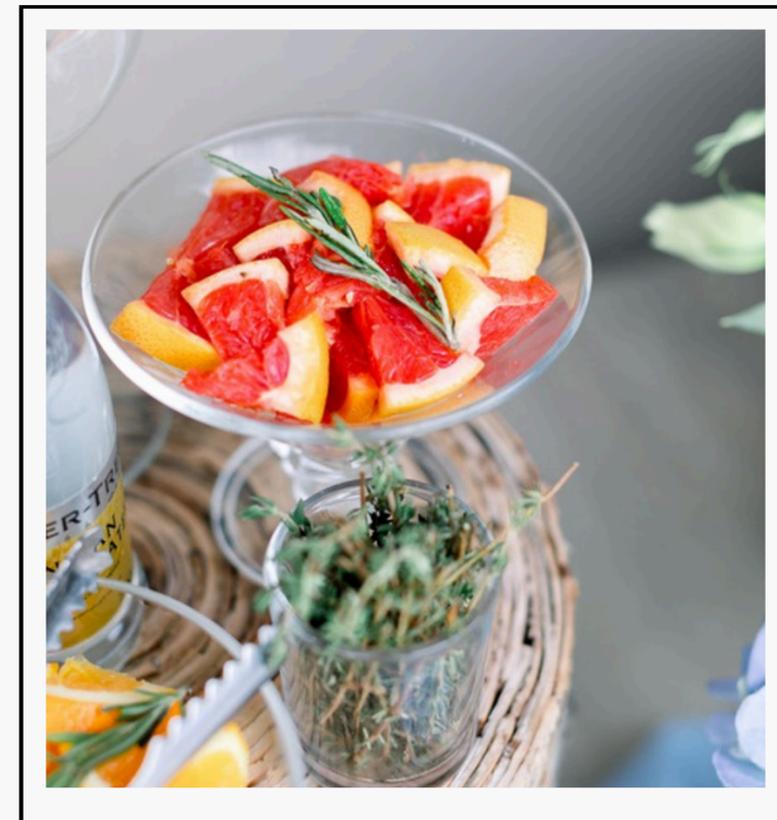

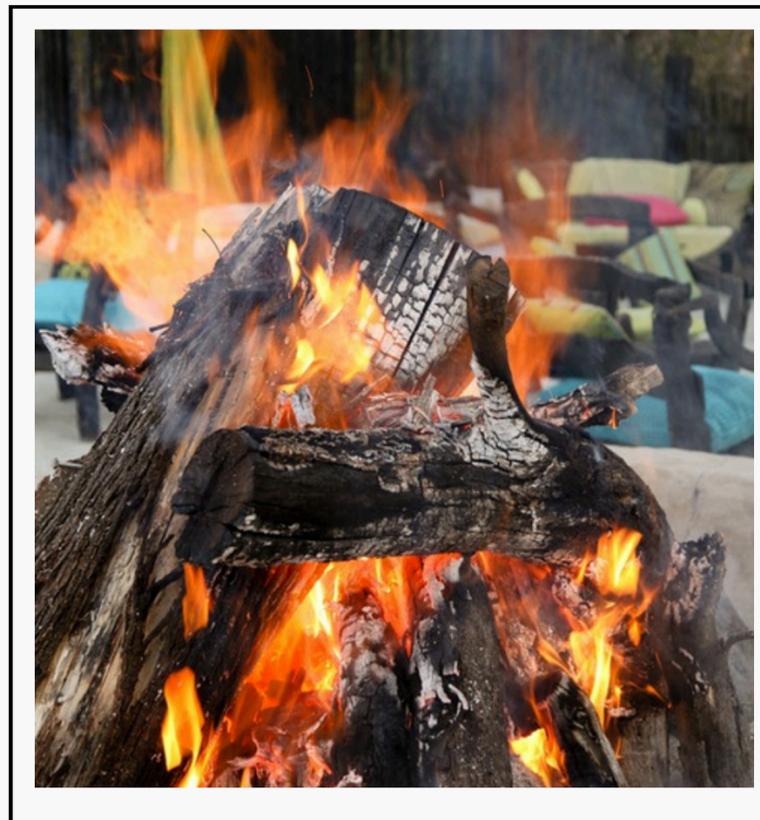

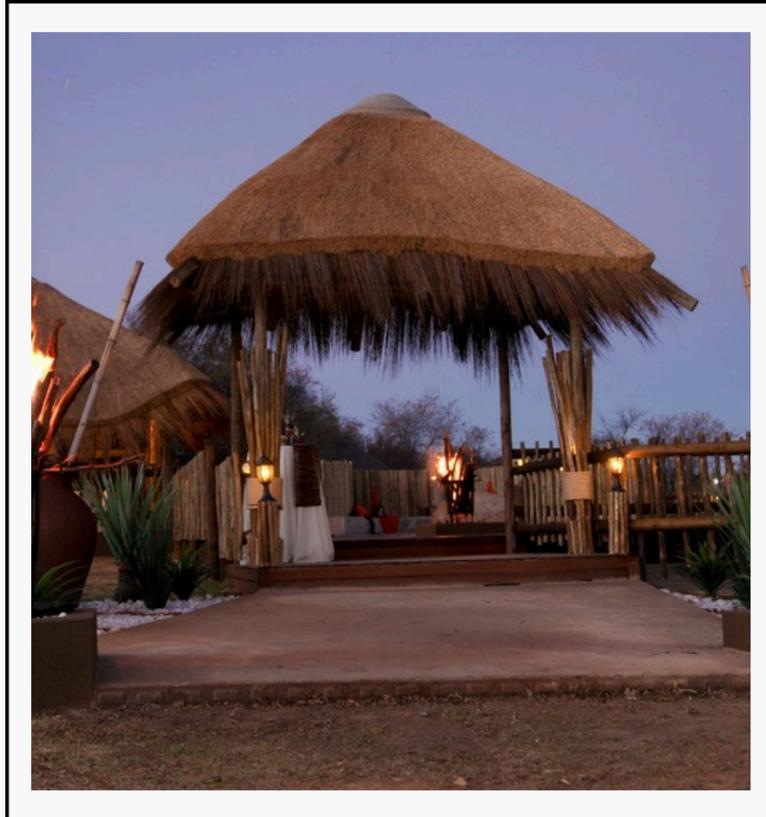

From offering an elegant menu, which equally matches the gracious décor of the Dumbe restaurant, our Chefs will cater to your every whim.

At Khaya iBhubesi, we offer laden buffet tables to elegant a-la-carte sit-down dinner parties.

Enjoy Exotic cocktails under an African Sky or tea under the shade of the Gazebo's in the tea garden.

From a light meal or a drink, you can enjoy the comfort of the vast outdoor spaces and tranquility at Khaya iBhubesi.

Generator & Purification Plant In order to avoid disappointment we have installed a generator to ensure a continuous power supply. Two water purification plants were installed to ensure that the water supply is clean. Independent tests are conducted on a recurring basis.

A man in a white shirt is shown from the chest up, looking upwards and to the right. He is holding a thick, green rope with both hands. The background is a bright blue sky with scattered white clouds. The overall scene suggests an outdoor activity or a team-building exercise.
